Prophet six zero zero nine one
This is the flight number of our galactic sun
Prophet six zero zero nine one
Before we start you should know that you're not the only one
Who can hurt me S H one zero one five one
This is the serial number of our orbital gun
S H one zero one five one
You better be sure before you leave me for another one You can hurt me
I can hurt you
You can hurt me You can hurt me
I can hurt you
But you better be sure before you leave me for another one
I can hurt you
You can hurt me
But you better be sure before you leave me for another one
