

# God Bless the USA

## Home Free

If tomorrow all the things were gone I'd worked for all my life  
And I had to start again with just my children and my wife  
I'd thank my lucky stars to be living here today  
'Cause the flag still stands for freedom and they can't take that away  
And I'm proud to be an  
American  
where at least I know I'm free  
And I won't forget the men who died,  
who gave that right to me  
And I'd gladly stand up next to you  
and defend her still today  
'Cause there ain't no doubt I love this land  
God bless the USA  
From the lakes of Minnesota, to the hills of Tennessee  
Across the plains of Texas, from sea to shining sea  
From Detroit down to Houston and New York to LA  
Well, there's pride in every American heart  
And it's time we stand and say that  
And I'm proud to be an American  
where at least I know I'm free  
And I won't forget the men who died,  
who gave that right to me  
And I'd gladly stand up next to you  
and defend her still today  
'Cause there ain't no doubt I love this land  
God bless the USA  
And I'm proud to be an American  
where at least I know I'm free  
And I won't forget the men who died,  
who gave that right to me  
And I'd gladly stand up next to you  
and defend her still today  
'Cause there ain't no doubt I love this land  
God bless the USA
