

Dance and Dense Denso

Molotov

Brincos, jalones, codazos y empujones
De caca recorde los famosos pisotones
Ojos morados patada en los cojones
En el slam entre matudos y pelones
Santo Tomas de los pelos parados
A narizazos su pie le dejaste madriado
Cayo el pedo, cayo de mi lado
Dance, dense denso todo empanizado
Faster than the rayo
We's the new freestylers a caballo
Bone break dance intenso let go
Dance and dense denso
Dance, dance and dense denso
Dance, dance and dense denso
Dance, dance and dense denso
Excuse me, if you hear me getting too loud
It's that I get kind of crazy when you get me around a crowd
Put a codo in you puto
You get knocked out
Come on, sugar foot
You're gonna end up getting plowed
Come on, get rowdy, come on, get bloody
Come on, get sweaty, hit somebody
If you got the balls come and take a chance
And brace yourself? cause it's some dense ass dancing
Faster than the rayo
We' s the new freestylers, a caballo
Bone break dance intenso let go
Dance and dense, denso
Dance, dance and dense, denso
Dance, dance and dense, denso
Dance, dance and dense, denso
Dance, dance, dance, dance
Dense denso, dense denso
Dance, dance, dance, dance
Dense denso, dense denso
Dance, dance, dance, dance
Dense denso, dense denso
