

Jam

L.T.D.

Raised in the city
Survive if you can
So ya better keep rockin' steady
You can't wait on a helpin' hand
Schools gotcha learnin'
Books in your hand
Weekends gotcha yearnin'
To party with the band
So go on and...
Jam... Wa wa wa wadow wow
Jam... Wa wa wa wadow wow
Jam... Da dat... dat..dat... dat da
Jam... Wa wa wa wadow wow Living for the weekend
The boss is on the case
You gotta find yourself a lady
Gotta slow down the pace
Take a look in the disco
Try to catch if you can
Well, you better get down to dancin'
'Cause that lady's got a man
So go on and...Jam...Wa wa wa wadow wow
Jam....Wa wa wa wadow wow
Jam... Da dat... dat... dat... dat da
Jam...Wa wa wa wadow wow
Living for the weekend
The boss is on the case
You gotta find yourself a lady
Gotta slow down the pace
Take a look in the disco
Try to catch if you can
Well, you better get down to dancin'
'Cause that lady's got a man
