

Crisis

Bob Marley & The Wailers

They say the sun, shines for all
But in some people world, it never shine at all
They say love is a stream, that will find its course
Some people life is a dream
So they making matters worse But no matter what the crisis is
But no matter what the crisis is
Doing it, doing it, doing your thing
Give JAH all the thanks and praises
Giving it, giving it, giving it
Give JAH all the thanks and praises
So much have been said, so little been done
They still killing, killing the people
And they having, having, having lots of fun
Killing the people, having their fun
They just want to be the leader
In the house of the rising sun But no matter what the crisis is
But no matter what the crisis is
Do your, live it up, live it up, live it up
Give JAH all the thanks and praises
Live it up, live it up, live it up, live it up
Give JAH all the thanks and praises They say the sun, shines for all
But in some people's world, it never shines at all
They say love is a stream, that will find its course,
And every river runs to sea
Some people still think life is a dream
So they making matters worse
No matter what the crisis is
No matter what the crisis is
Do it, live it up, live it up, live it up
Give JAH all the thanks and praises
Live it up, live it up, live it up, live it up
Give JAH all the thanks and praises
Give JAH all the thanks and praises
His mercies endureth for ever yeah
Give JAH all the thanks and praises
Give JAH all the thanks and praises
Oh children, come and give JAH
Give JAH all the thanks and praises
Give JAH all the thanks and praises
