

Honeymoon

Lana Del Rey

We both know that it's not fashionable to love me
But you don't go cause truly there's nobody for you but me

We could cruise to the blues
Wilshire Boulevard if we choose
Or whatever you want to do
We make the rules Our honeymoon
Our honeymoon

Our honeymoon Say you want me too
Say you want me too
Dark blue
Dark blue

We both know the history of violence that surrounds you
But I'm not scared, there's nothing to lose now that I've found you

We could cruise to the news
Pico blvd in you used little bullet car if we choose Mr. Born to lose Our honeymoon
Our honeymoon

Our honeymoon Say you want me too
Say you want me too
Dark blue

Dark blue There are violets in your eyes
There are guns that blaze around you

There are roses in between my thighs and fire that surrounds you
It's no wonder every man in town had neither fought nor found you Everything you do is elusive
to even your honey dew

Our honeymoon
Our honeymoon
Our honeymoon Dreaming away your life
Dreaming away your life
Dreaming away your life
