

One Love

Trey Songz

You know I have to be honest
It's like for the first time in my life,
My pride is not a problem
I'm not afraid
I'm not afraid to tell you girl,
That I love you
Believe that
And if I cant have you,
I don't know what ima do
Listen to me So many people never find the one
That's why I really wanna tell you somethin'
I really think this is it for me
I really think you're the one I need Cause baby I done had 'em all
I don't want nobody but you
Yeh, Oh darlin' Baby let me break it down
See, we livin' in a lonely world Aint you tired of the runnin' 'round?
Don't you wanna be my only girl?
Baby can I be the one to call
When you're tired of the lies
And the truth is all you wanna hear
Only if you swear Baby, here I am (here I am)
I'm your man (I'm your man)
I came with everything you needed You and me undefeated,
Till the end of time
One mind, one heart, one love
All you gotta do is,
Take my hand (take my hand)
We will stand (we will stand)
This was made to last forever,
So lets say it together for the rest of time One mind, one heart, one love Ohh, Listen baby
I'll give you all I'm worth
From my head down to my shoes
And girl if we gone work, Then I need the same from you
I know that so many other dudes cheat
But so many dudes aint me
Give me my pick of any dime
And I'll pick you girl every time I just wanna break it down
See, we livin' in a lonely world Aint you tired of the runnin' 'round?
Don't you wanna be my only girl?
Baby can I be the one to call
When you're tired of the lies
And the truth is all you wanna hear

If you swearBaby, here I am (here I am)
I'm your man (I'm your man)
I came with everything you needed
You and me undefeated,
Till the end of time
One mind, one heart, one love
All you gotta do is,
Take my hand (take my hand)
We will stand (we will stand)
This was made to last forever,
So lets say it together for the rest of time
One mind, one heart, one loveOhh, Love is hard to find
But love is one of a kind
And I got mind
So if you got yours,
Then you know what your livin' for
This goes out to all my lovers tonight
And if you listenin' to my groove,
And your baby's next to you
Tell 'em
'You are all I need and I'll never let go'
You are all I need and I'll never let go
(Never let go of you)And here I am (here I am)
I'm your man (I'm your man)
I came with everything you needed
You and me undefeated,
Till the end of time
One mind, one heart, one love
All you gotta do is,
Take my hand (take my hand)
We will stand (we will stand)
This was made to last forever,
So lets say it together for the rest of time
One mind, one heart, one loveOhh ohh ohh ohh, oh yeah
(You are all I need and I'll never let go)
Ohh, Love
Love, love
Tell 'em
You are all I need and I'll never let go (Let go)
