

# Boss Chick

## Rasheeda

See it's all about the way you put it down right  
Gotta be sexy gotta be in control ya know  
(Yean ain't never met nobody fly like me)  
Hm. That's fo damn sure. Hey, cause I'm a BOSS{2x's}I'm a boss chick, I'ma I'ma boss chick  
I'm a boss chick, I'ma I'ma boss chick  
Yean ain't never met nobody fly like me  
Own house, own car, got my own money  
I'm a boss  
{1: Rasheeda}  
Google me baby, I'm drivin' 'em crazy  
Ya gurl so fly you can call me amazin'  
Boss chick, that's the motto  
We set shit off, we don't follow  
We no gargle, we no swallow  
Brush lames out the way like they did on Apollo (Brush 'em off)  
Goodbye, adios amigo  
I ain't stuck up I got a Kanye ego  
Gettin' to this money like my name was Nino  
How you think I got all this Luis and Rio  
I ain't just talk pimp, this what I stand fo  
An independent chick who be stakin' them bank rolls{2x's}{2: Rasheeda}  
I got my own house, I got my own car  
Like Lupe said, "I'm a Superstar"  
I rock a white R class with the snow white rims  
If you ain't on sit down like Webbie and them (C'mon)  
I'm a boss like Tyra, Kimora, Beyonce'  
Won't catch me slippin, ya gurl stay flossaay (flossaay)  
What I need ya fo if you can't get dat  
Playin in my piggy bank, I ain't wit dat  
I'm da type to run a credit and swag check  
Why you flexin' when you livin' paycheck to paycheck  
You already know I ain't settling for less  
I'm a Boss Chick, so that means I rock wit da best (C'mon){2x's}{3: Rasheeda}  
Now where dem bosses who be raising them kids  
Pick 'em up and drop 'em off in your soccer mom whips  
Ain't nuttin always paying the bills  
So i can rock couture fits from Beverly Hills  
Gotta keep the hair and nails fresh  
Can play any position, but never the mistress  
You can work a 9 to 5 or own your own business  
Long as you runnin' shit it never easily impress (fo sho)  
Stay in control 24/7

Keep it 100 always trend settin'  
I deliver like UPS  
Cause I'm a muthafuckin B-O-S-S  
(Yeah){2x's}
