

# Shots & Squats (feat. Tham Sway)

## Vigiland

We've been doing squats  
Party on the dock  
Take off every top  
Time to pump it up Drink until we drop (drop)  
Then take another shot (shot)  
We don't give a fuck  
Now take it from the top  
Okay Drinking, drinking, drinking, drinking, drinking till we drop  
Party, party, party, party, party 'round the clock  
Shot!  
Drinking, drinking, drinking, drinking, drinking till we drop  
Party, party, party, party, party 'round the clock  
Shot!  
Drinking, drinking, drinking, drinking, drinking till we drop  
Party, party, party, party, party 'round the clock  
Shot!  
Drinking, drinking, drinking, drinking, drinking till we drop  
Party, party, party, party, party 'round the clock  
Shot! Drinking, drinking, drinking, drinking, drinking till we drop  
Party, party, party, party, party 'round the clock  
Okay  
Drinking, drinking, drinking, drinking, drinking till we drop  
Party, party, party, party, party 'round the clock  
Okay We've been doing squats  
Party on the dock  
Take off every top  
Time to pump it up  
Drink until we drop (drop)  
Then take another shot (shot)  
We don't give a fuck  
Now take it from the top  
Okay Drinking, drinking, drinking, drinking, drinking till we drop  
Party, party, party, party, party 'round the clock  
Shot!  
Drinking, drinking, drinking, drinking, drinking till we drop  
Party, party, party, party, party 'round the clock  
Shot! Okay  
Shot!  
Party 'round the clock  
Okay We've been doing squats
