

# Diva (feat. Swae Lee & Tove Lo)

## Aazar

A late night creeping, I found me a young soul stealer (Stealer)  
Keep one on my arm, a queen of the kingdom (Kingdom)  
I wanna put her crown on Spending my cash, she like: "Right on"  
She shake like a pom pom  
Take one and we take off (Yeah) Push up if I need to (Woo)  
Looking for a carefree diva  
Drowning the butterflies inside your stomach  
Every time that you drink up Diva, diva  
Diva, carefree diva (Yeah)  
Looking for a carefree diva  
Diva, diva  
Diva, carefree diva (Woo)  
Looking for a carefree diva  
I got no rules tonight, boy, I rule your kingdom  
Shaking my goods, you enjoy, I feel you linger, yeah  
I want ya, I want ya, I want ya  
You know that, you know that I love this  
Feeling my skills, I let 'em show, li-licking your finger La isla bonita  
Let me be your carefree diva  
Drowning all the butterflies inside  
Every time that you drink up Diva (Diva), diva  
Diva, carefree diva (Yeah)  
Looking for a carefree diva  
Diva (Diva), diva  
Diva, carefree diva (Woo)  
Looking for a carefree diva  
Thanks for never leaving me concerned (No, no)  
Low-key, she's hating me, love her (Yeah, yeah)  
Good fuck and I have you covered  
Passenger side for your comfort  
Marriott, I first had you over  
Saw you clear and in color (Hey) Push up if I need to (Woo)  
Looking for a carefree diva  
Drowning the butterflies inside your stomach  
Every time that you drink up Diva (Diva), diva  
Diva, carefree diva (Yeah)  
Diva, looking for a carefree diva  
Diva (Diva), diva  
Diva, carefree diva (Woo)  
Diva, looking for a carefree diva
