

# Skills to Pay the Bills

## Beastie Boys

I've got the skills to pay the bills ya'll  
I got the got the got the skills to pay the bills  
I've got the skills to pay the billsUhh what you got - I got the skills to pay the bills  
I'm mike d and I'm bustin' out trap kits  
The time has come so I'm going to rap this  
You Rip Van Winkle now you're gonna wake up  
MC's pick up a hobby that you're gonna take up  
On the stage I'm known to break fool  
But when I'm at the table it's the Futterman's rule  
Workin' on my game cause it's time to tax  
I'm on a crazy mission to wax Bob Mack shit  
Up to the top, 'till the very last drop  
I'm make you pay for the rhymes I take  
I'm selling sex rhymes by the pound  
You horny MC's I watch you getting around my...  
My the skills to pay the bills  
I got the got the got the skills to pay the bills  
I got the got the got the skills to pay the bills  
I got the skills to pay the bills ya'llSo it better pull through when it comes to me  
Let it go down like it's supposed to be  
Words together like birds in a flock  
Agh yes rhymes on time like the hands on a clock  
Well I'm an epileptic, a skept-a-cleptic  
I'm cutting up the beats from the bear I clept it  
I fucked around and then I lost my tooth  
I'm telling everybody it's the goddamned truth  
Like Dennis Coffey I'm a Scorpio  
Like my man Schneider, I'm a super ho  
Making mountains out of molehills and rockin' some mo' skills  
Butt naked beats with butt naked fills  
I got the skills - what skills  
To pay the bills  
I got the skills - what skills  
To pay the bills  
I got the skills - what skills  
To pay the bills  
I got the skills to pay the bills ya'llA-wella wella wella wella welcome back  
I don't sell bullets and I don't sell crack  
Rub a little oil on my neck and back  
Now listen baby doll we outta hit the sack  
The original young aboriginal  
Continued evolution of an individual well I'll tell ya

Got so many rhymes ya know my throat is sore  
It's 1992 and still no one to vote for  
Well like my words is what I'm seeing through my own eyes  
A little vision of the truth in a world of lies  
When it comes to coming off I like to get my fill  
Well I got the skills I got the skills to pay the bills ya'll  
I got the got the got the skills to pay the bills  
Uhh what you got Mike - my skills to pay the bills  
Agh yea, I got the skills to pay the bills ya'll Woo, getta got gotta got gotta got some
