

# You'll Be Back

## Jimmy Fallon & The Roots

Hi, I'm Jimmy Fallon and I'm about to sing "You'll Be Back"  
from the hit musical, Hamilton.

Now obviously I'm not a Broadway star, but I am classically trained,  
and by that I mean I was trained by vocal coach, Ed Classically,  
who-- actually, "Classic-alley" is another pronunciation.

He works out of his mother's basement in New Jersey,  
and he has a breathing technique that I use,  
and that's the way I'll be able to hit these high notes and these long, powerful, belting chords.

So, hopefully you enjoy, here's "You'll Be Back." You say  
The price of my love's not a price that you're willing to pay  
You cry

In your tea which you hurl in the sea as you see me go by.....  
You say

The price of my love's not a price that you're willing to pay  
You cry

In your tea which you hurl in the sea when you see me go by  
Why so sad?

Remember we made an arrangement when you went away  
Now you're making me mad

Remember, despite our estrangement, I'm your man  
You'll be back, soon you'll see

You'll remember you belong to me  
You'll be back, time will tell

You'll remember that I served you well  
Oceans rise, empires fall

We have seen each other through it all  
And when push comes to shove

I will send a fully armed battalion to remind you of my love!

Da da da dat da dat da da da ya da  
Da da dat dat da ya da!

Da da da dat da dat da da da ya da  
Da da dat dat da...

You say our love is draining and you can't go on  
You'll be the one complaining when I am gone...

And no, don't change the subject  
Cuz you're my favorite subject  
My sweet, submissive subject

My loyal, royal subject  
Forever and ever and ever and ever and ever...

You'll be back like before  
I will fight the fight and win the war  
For your love, for your praise

And I'll love you till my dying days  
When you're gone, I'll go mad  
So don't throw away this thing we had  
Cuz when push comes to shove  
I will kill your friends and family to remind you of my love  
Da da da dat da dat da da da da ya da  
Da da dat dat da ya da!  
Da da da dat da dat da da da da ya da  
Da da dat da—  
Everybody! Da da da dat da dat da da da da ya da  
Da da dat dat da ya da!  
Da da da dat da dat da da da da ya da da da da  
Dat dat da ya da!
