Pleasure P

You know I want yall to just sit back and think
For a second you know what I mean
There's a lot of haters out there hatin on people relationships and stuff
Dont nobody wanna see you happy they always trynna take ya joy
Bring you down
(No no no no noo)But you gotta be the one to stick by yo mate
And say Ima be with you no matta what u know what Im sayin
Fuck it I did wrong you did wrong too, you know what Im sayin but
We gotta put up with each otha shit the easiest thing to do is leave
Ya dig? Anyway check dis out
I don't want to lose this relationship
So, we gotta stay strong,
don't wanna move on
I know you're sick and tired
of the fussingand the fighting
and the cussing
Well, I love you
and you love me tooI did you wrong
you did me wrong
I take you back
you take me back
I did you wrong girl
you did me wrong girl
I'll take you back
I'll take you back
No matter what you do
No matter what you say
No matter how far you go
Don't take your love away
Because I love you
And girl, I want you
And girl, I need you
So let's just work it outI ain't tryna waste your time
And, I ain't tryna waste my time
There ain't no need to waste no time
'Cause we done put in too much time
I ain't tryna waste your time
I ain't tryna waste my time
Ain't no need to waste no time'Cause we done put in too much time
When you're in a relationship
The easiest thing for you to do
Is to leaveYou gotta stick it out

and work it out
And stick it out
and work it out
And stick it out
'Cause at the end of the day...
I did you wrong
you did me wrong I take you back
you take me back
I did you wrong girl
you did me wrong girl
I'll take you back
I'll take you back
No matter what you do
No matter what you say
No matter how far you go
Don't take your love away
Because I love you
And girl, I want you
And girl, I need you
So let's just work it out
I did you wrong
you did me wrong
I take you back
you take me back I did you wrong girl
you did me wrong girl
I'll take you back
I'll take you back
No matter what you do
No matter what you say
No matter how far you go
Don't take your love away
Because I love you
And girl, I want you
And girl, I need you
So let's just work it out
