

I Am

James Arthur

Woo-oooh-oooh-oooh-oooh
Woo-oooh-oooh-oooh-oooh
Woo-oooh-oooh-oooh-oooh
Woo-oooh-oooh-oooh-oooh I'm a problem, I'm the killer, I'm the cure, I guess
I'm the end, I'm the beginning, the apocalypse
I am something from nothing, I heard 'em say
Rags to the riches, your best mistake
I'm the future, I'm the relic, I'm the "not there yet" Oh, oh, oh I am... forevermore I'll be What
you wanna believe
All I know, it's too late for me to change your mind
What you wanna believe
I'll let go, let you decide
What you wanna believe
What you wanna believe
I'm the blaze, I'm the siren, I'm the exit door
I'm the cape, I'm the villain, I'm the metaphor
Or I'm a good gun in a bad man's war, I paved the way
I'm a left hook, I'm a battered jaw, I'm the pain
I'm a preacher, I'm a sinner, I'm a broken Lord Oh, oh, oh I am... forevermore I'll be What you
wanna believe
All I know, it's too late for me to change your mind
What you wanna believe
I'll let go, let you decide
What you wanna believe
What you wanna believe Who am I to tell you what you think you see?
It ain't my business to you what to think of me
What you wanna believe
What you wanna believe
What you wanna believe
All I know, it's too late for me to change your mind
What you wanna believe
I'll let go, let you decide
What you wanna believe A path of corruption and destruction
(What you wanna believe)
Everyday that they live
They have another opportunity to be saved
