Blue Monday (DJ Dan Remix)

Orgy

How does it feel to treat me like you do? When you've laid your hands upon me And told me who you are I thought I was mistaken I thought I heard your words Tell me, how do I feel? Tell me, now, how do I feel? How does it feel How should I feel Tell me how does it feel To treat me like you do Those who came before me Lived through their vocations From the past until completion They'll turn away no more And I still find it so hard To say what I need to say But, I'm quite sure that you'll tell me Just how I should feel todayI see a ship in the harbor I can and shall obey But if it wasn't for your misfortunes, I'd be a heavenly person today And I thought I was mistaken And I thought I heard you speak Tell me, how do I feel? Tell me, now, how should I feel? Now I stand here waiting I thought I told you to leave me When I walked down to the beach Tell me how does it feel When your heart grows cold (grows cold, grows cold)How does it feel How should I feel Tell me how does it feel To treat me like you do How does it feel How should I feel
