

# Bug a Boo

## Destiny's Child

You make me wanna throw my pager out the window  
Tell MCI to cut the phone poles  
Break my lease so I can move  
'Cause you a bug-a boo, a bug-a boo  
I wanna put your number on the call block  
Have AOL make my e-mail stop  
'Cause you a bug-a boo  
You buggin' what?  
You buggin' who?  
You buggin' me and don't you see it ain't cool  
It's not hot  
That you be callin' me stressin me pagin' my beeper you're just non-stop  
And it's not hot  
That you be leavin' me messages every 10 minutes and then you stop by  
When I first met you, you were cool  
But it was game you had me fooled  
'Cause 20 minutes after I gave you my number you already had my mailbox full  
So what  
You bought a pair of shoes  
What now I guess you think I owe you (Owe you)  
You don't have to call as much as you do  
I'll give 'em back to be through with you  
And so what  
My momma likes you (Likes you)  
What now I guess you think I will too  
Even if the Pope he said he likes you too  
I don't really care 'cause you're a bug a boo  
You make me wanna throw my pager out the window  
Tell MCI to cut the phone poles  
Break my lease so I can move  
'Cause you a bug-a boo, a bug-a boo (a bug-a boo)  
I wanna put your number on the call block  
Have AOL make my e-mail stop  
'Cause you a bug-a boo  
You buggin' what?  
You buggin' who?  
You buggin' me and don't you see it ain't cool  
It's not hot that when I'm blockin' your phone  
number  
You call me from over your best friend's house  
And it's not hot  
That I can't even go out with my girlfriends without you trackin' me down  
You need to chill out with that mess  
'Cause you can't keep havin' me stressed

'Cause every time my phone rings it seems to be you  
 And I'm prayin' that it is someone else So what  
 You bought a pair of shoes  
 What now I guess you think I owe you (Owe you)  
 You don't have to call as much as you do  
 I'll give 'em back to be through with you  
 And so what (So what)  
 My momma likes you (Likes you)  
 What now I guess you think I will too  
 Even if the Pope he said he likes you too  
 I don't give a damn 'cause you're a bug a boooooohhhhoohhhhh... You make me wanna throw  
 my pager out the window  
 Tell MCI to cut the phone poles (Cut the phone poles)

 You're buggin' me (You make me wanna throw my pager out the window) Throw out my pager  
 (Tell MCI to cut the phone poles) Turn my phone off

 ('Cause you a bug-a boo) A bug-a; a bug-a boo  
 (I wanna put your number on the call block) Ooohhhh...  
 (Have AOL make my email stop)  
 ('Cause you're a bug-a, you're buggin' what, you're buggin' who, you're a-uggin' me and don't  
 you see it ain't cool) (You make me wanna throw my pager out the window) Realize I don't  
 want you  
 (Tell MCI to cut the phone poles)  
 (Break my lease so I can move) Trust me I don't want you  
 ('Cause you a bug-a boo)  
 (I wanna put your number on the call block) Regret the day that I met you  
 (Have AOL make my email stop)  
 ('Cause you're a bug-a, you're buggin' what, you're buggin' who, you're a-uggin' me and don't  
 you see it ain't cool) Thou shall not give into temptation
