

# Lemme Get 2 (feat. Saukrates)

## Redman & Saukrates

Uhh, chka-yeah\*  
Chka-UHH, chka-yeah  
Ladies and gentlemen  
Saukrates! Have you ever been so proud in your life  
You livin on your own cloud in the sky  
Wanna take e'rybody wit'chu  
Forget one, lemme get two Yeah! Yo, hey  
I love travellin' and seein' people  
Showin the ignorant my color skin is equal  
I like tryin different thai food and seafood  
Makin my episode of life another sequel  
I like flyin on Delta and Continental  
First class, playin them elevator instrumentals  
I'm in the window, got on my headphones  
Listenin to Big Pun and Wyclef Jean  
It's like Exxon, I get gassed up  
I shuffle 'round the board like Cassius  
That's us when the plane land, hey man  
It ain't hard cause I can do it like a caveman  
Fix my Ray-Bans, I hit the hotel  
Do my show, get my money, hit the hotel  
Sittin at the hotel like "Oh well!"  
I call shorty that I met today at Modell's  
Go girl, it's like we in The Matrix  
I'm in a new city, with suitcases  
I'm oas with bills with new faces  
And if you're not about that you need a facelift  
Yup!  
Lemme get two, lemme get two  
Lemme get two, bartender lemme get two  
Yo  
If it's a high life you seekin' then you say it  
Cause how the hell you gonna win the game if you ain't playin?  
I'm in Monaco, swimmin' in the deep end with 3 dimes, this ain't dominos  
Well maybe it was, I set 'em up to knock 'em down and go  
The skeletons in the closet, I'm makin' a new deposit  
She was never so erotic 'til we got to the ex-o-tic  
-tic, now I'm thinkin'  
that this time bomb is about to explode  
Got me wishin' that it was different than money, contradiction is funny  
I just told y'all to play the game if y'all wan' eat  
The truth is it's what you make it

That's why I got my baby girl naked  
Long before I bought them tickets to Turks and Caicos  
We love each other, beyond under covers  
That's why I'm feelin so high like them Wright brothers  
Fly, I hope it never take material  
for you to get yo' Applejax cereal, here we go  
Lemme get two, lemme get two  
Lemme get two, bartender lemme get two I'm on vacation BEITCH!  
And I'm flyin high
