

Cinco de Mayo

Baby Bash & Frankie J

I wanna kick it with you
Just party like a cinco de mayo
Just know how we do
Everybody keep staying round
You, let's party like a cinco de mayo
You know how we do
Everybody keep sellin' milo()
Let's party like cinco de mayo
Chop it up like pico de gayo
Cause every time you see me you smile
We smokin' fuego, it's loud
We in the drop top Chevy like
Candy wet like carrie
Every day we celebrate
When we dance, my hand's on your derrier
You don't believe me, just watch me
Shots of tequila, while she dance the mariachi
Party with all our amigos
Huevos not that titos
Slayer made meseche and I'm all about my cheetos
Is she a fly mamacita, sexy noche y villa? girl, and all that sang-sangria
Follow me, it's all to the G
Let's spend the time tonight and get a lil' freaky
