

# This Land Is Your Land

Lee Greenwood

(chorus)  
this land  
this land this land is your land  
this land is my land  
from california to the new york island  
from the red wood forest to the gulf stream water  
this land was made for you and me i was walking to the ribbon of high way  
i saw above me that endless skyway  
i saw below me a voice was chanting  
this land was made for you and me(chorus)  
this land is your land  
this land is my land  
from california to the new york island  
from the red wood forest to the gulf stream water  
this land was made for you and me  
(chorus)  
this land this land!
