

# Heartbeat

Beckah Shae

And His blood has ransomed people for God, hey!  
From every tribe and language people, every nation, hey!  
Where warriors have fallen  
There's a resurrection comin'  
It's your time to rise and shine  
Oh wake up you sleeping giant The wounds of injustice are being healed by the peace, hey!  
Of YHWH who's bringing us power through unity, hey!  
Where warriors have fallen  
There's a resurrection comin'  
Dry bones, dry bones, come alive  
Yeah, wake up you sleeping giant  
Your heartbeat  
I feel it, I feel it... yeah  
I feel your heartbeat  
I feel it, I feel it... yeah  
I feel your heartbeat  
I feel it, I feel it... uh-huh  
I feel your heartbeat  
I feel it, I feel it  
Yeah, I feel it Yeshua, bring us together  
Bring us together  
Together we cry:  
Yeshua, bring us together  
Bring us together  
Together we cry:  
Yeshua, bring us together  
Bring us together  
Together we cry:  
Out-out for you heartbeat  
Your heartbeat, oh  
Give us your heartbeat, yeah This is the hour to know who's side to stand by, hey!  
Raise up the standard in battle for every fellow tribe, hey!  
Where warriors are fighting  
There's a revival igniting  
Reserved for such a time  
Yeah, arise you blazing fire Brave friends stand firm and listen to your destiny, hey!  
The rhythm of our Father moves with victory, hey!  
Where warriors are fighting  
There's a revival igniting  
Consume us, oh God  
And arise, blazing fire Your heartbeat  
I feel it, I feel it... yeah

I feel your heartbeat  
I feel it, I feel it... yeah  
I feel your heartbeat  
I feel it, I feel it... uh-huh  
I feel your heartbeat  
I feel it, I feel it  
Yeah, I feel it Yeshua, bring us together  
Bring us together  
Together we cry:  
Yeshua, bring us together  
Bring us together  
Together we cry:  
Yeshua, bring us together  
Bring us together  
Together we cry: Out-out, for you heartbeat  
Your heartbeat, oh  
Give us your heartbeat, yeah Yeshua, bring us together  
Bring us together  
Together we cry:  
Yeshua, bring us together  
Bring us together  
Together we cry:  
Yeshua, bring us together  
Bring us together  
Together we cry: Out-out for you heartbeat  
Your heartbeat, oh  
Give us your heartbeat, yeah Yeshua, bring us together  
Bring us together  
Together we cry:  
Yeshua, bring us together  
Bring us together  
Together we cry:  
Yeshua, bring us together  
Bring us together  
Together we cry: Out-out, for you heartbeat  
Your heartbeat, oh  
Give us your heartbeat  
Yeah...
