

Set Me Free (feat. YK Osiris)

Lecrae

Take the shackles off my feet so I can dance
I just wanna praise You (Woah-woah-woah)
I just wanna praise You Shackles on my feet, yeah, they won't let me be
Won't you set me free, (Woah-woah-woah), pray their soul on me
Shackles on my feet, oh, they won't let me be
Won't you set me free (Woah-woah-woah)
Pray their soul on me
Pray their soul on me
Let me go (Let me), let me go
I been goin' through so much I swear these people at my throat
That's on me, that's on mommas (That's on mommas)
On my momma, I can't take no more so miss me with that drama, get your commas
Get your records straight, get your facts straight
Hold me down I rise up on 'em like the tax rate (I did)
Keep my path straight (Woah-woah-woah)
Never lack faith
God been workin', they gon' have to hold me back, man
And tell 'em (Tell 'em, tell 'em) You can pick a side if you wanna (Wanna)
You already know who I roll with (Roll with)
You don't want no problems with me (With me)
Get these shackles off of my feet Shackles on my feet, yeah, they won't let me be
Won't you set me free, pray their soul on me
Pray their soul on me
I got them shackles off my feet, yeah, yeah
Can't put me back up in them streets, yeah, yeah
I couldn't move but now I'm free, yeah, yeah
I got them shackles off my feet, yeah, yeah, yeah, yeah-yeah-yeah Down for me, down for me
People left me, You was 'round for me, 'round for me
All that bitterness and anger, had to let it go (Woah)
People talkin' down on me, I guess that's how it go (Sup)
They don't know, that's on me, yeah
Shackles on my feet, you broke the hold and now I'm free, yeah
Even in the darkest times, you kept your light on me, yeah (Woah-woah-woah)
Got the memo, read the message
Found my purpose, found my method
Only L I took was lessons, tell 'em (Yeah) You can pick a side if you wanna (Wanna)
You already know who I roll with (Roll with)
You don't want no problems with me (With me)
