

# Change Your Mind (feat. Vancouver Sleep Clinic)

## Said The Sky

You move like cinematic  
Left your trail of magic  
Keeping me alive I want it til I have it  
Now I can't imagine  
Leaving you behind If I could only turn back time  
I would bring us back to life  
If I could only turn change your mind  
We'd stay young and never die  
I made my mistakes and  
I can never face them  
Running out of fight  
But you'd illuminate all  
Of the darkest places  
If I could change your mind If I could only turn back time  
I would bring us back to life  
If I could only change your mind  
We'd stay young and never die If I could only change your mind  
We'd stay young and never die  
I keep getting these waves of nostalgia  
Things I haven't even been through or seen  
But the feeling comes and hits me  
All I can do is wonder
