

High Grade (Ruckspin Remix)

Gentleman's Dub Club

If the truth be told am a sucker for the high grade, if the truth be told.
When am grey and old will I still be getting involved
If the truth be told am a sucker for the high grade, if the truth be told.
When am grey and old will I still be getting involved Often days are struggle just like anybody
else
When am suckin a bubble I don't make sense of it
I don't know what they're talking about
When they come round with a run of their mouth So I... got on a hussle bus to go find my wealth
But that journeys long and hazardous to my health
Right now the jury's out
Theres only one thing I care about If the truth be told im a sucker for the high grade, if the truth
be told.
When am grey and old will I still be getting involved
I hope so.
If the truth be told am a sucker for the high grade, if the truth be told
When im grey and old will I still be getting involved
Livin' in a way with a no rest or play
Your givin' it away with a never rest or play
You better for that boy that you know, only a wise man know how to roll
And when your down in the darkness he won't share the space Slowly, losing your sharpness in
every single way
On the horizon you see I fight low
You see it rising get ready to go
If the truth be told im a sucker for the high grade, if the truth be told.
When am grey and old will I still be getting involved
I hope so...
If the truth be told im a sucker for the high grade, if the truth be told.
When im grey and old will I still be getting involved
I hope so... I don't know's what they talking about
When they come round with a run of their mouth
I don't know what theyre talking about
When they come round with a run of their mouth
Said I don't know what theyre talking about
When they come round with a run of their mouth
No I don't know what theyre talking about
When they come round with a run of their mouth! If the truth be told im a sucker for the high
grade, if the truth be told.
When am grey and old will I still be getting involved
I hope so...
If the truth be told im a sucker for the high grade, if the truth be told.
When am grey and old will I still be getting involved

I hope so...
