

# One Inna

## Aloe Blacc

Tell me how does it feel  
Tell me how does it feel  
Tell me how does it feel  
I bet it feels good  
I bet it feels so good  
To be (One in a million)  
One in a million  
You know that I know it  
But you don't ever show it  
So don't knowbody know  
You keep it on the low  
Ooooh yea  
You got a beautiful soul  
Oh, so can you tell me  
Tell meee  
How does it feel to be one (One in a million)  
In a million  
I bet it feels good  
I bet it feels so good  
I bet it feels like...  
(Your one in a million)  
Tell me  
Tell me  
How does it feel  
Ta be  
In a million  
(Your one in a million)  
One in a mill... ion  
You know your one in a mill... ion  
You got so much appeal  
And your makin me feel  
Like I just,  
I just wanna  
I just wanna  
(Your one in a million)  
Everytime I see you  
Oh, won't you tell me  
Won't you tell me  
How does it feel, yea  
To be one  
In a million  
(Your one in a million)

It feels like maybe  
One day  
After you leave your job  
Maybe  
Well maybe you can call me  
Anytime  
Here's the number to my private line  
Why don't you call me  
Why don't you call me  
Yea  
Well go ahead and  
Call meeeeeee  
(Your one in a million)  
One in a million...
