

# Hot n Cold

Katy Perry

You change your mind like a girl changes clothes  
Yeah, you, PMS like a bitch, I would know  
And you over think always speak cryptically  
I should know that you're no good for me 'Cause you're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up You, you don't really wanna stay, no  
You, but you don't really wanna go-o  
You're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down We used to be just like twins, so in sync  
The same energy, now's a dead battery  
Used to laugh 'bout nothing, now you're plain boring  
I should know that you're not gonna change 'Cause you're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up  
You, you don't really wanna stay, no  
You, but you don't really wanna go-o You're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down Someone call the doctor, got a case of a love bipolar  
Stuck on a roller coaster, can't get off this ride You change your mind like a girl changes  
clothes 'Cause you're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down You're wrong when it's right  
It's black and it's white  
We fight, we break up  
We kiss, we make up You're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down You're wrong when it's right  
It's black and it's white  
We fight, we break up

We kiss, we make up  
You, you don't really wanna stay, no  
You, but you don't really wanna go-o  
You're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down
