

My Grown Up Christmas List

Lauren Alaina

Do you remember me?
I sat upon your knee
I wrote to you with childhood fantasies
Well, I'm all grown up now
And still need help somehow
I'm not a child
But my heart still can dream
So, here's my lifelong wish
My grown up christmas list
Not for myself
But for a world in need
No more lives torn apart
That wars would never start
And time would heal all hearts
And everyone would have a friend
And right would always win
And love would never end
This is my grown up christmas list
As children, we believed
The grandest sight to see
Was something lovely wrapped beneath our tree
But heaven only knows
That packages and bows
Can never heal a hurting human soul
No more lives torn apart
That wars would never start
And time would heal all hearts
And everyone would have a friend
And right would always win
And love would never end
This's is my grown up christmas list
What is this illusion called the innocence of youth
Maybe only in our blind belief can we ever find the truth
No more lives torn apart
That wars would never start
And time would heal all hearts
And everyone would have a friend
And night would always win
And love will never end
This is my grown up christmas list
This is my grown up christmas list
