

# Fan Girl

## Ghost Town

I know this girl that says she's lost it all  
And that she's gonna fall  
And that she'll never be happy again  
I know this all to be true  
I've lived it, I'm no different  
I'm just like you  
Just like you Fan girl, fan girl, you don't know what you do to me  
I love your insecurities  
Fan girl, fan girl, hope you know you mean the world to me  
I wish that you could see what I see I wish that you could see what I see  
Obsessed, obsessing  
All you want is screamed at the top of their lungs  
I'm just some horror story,  
Made in your laboratory  
I'm just some poster on your bedroom wall  
I get excited too, think I'm in love with you  
I'll scream at the top of my lungs Fan girl, fan girl, you don't know what you do to me  
I love your insecurities  
Fan girl, fan girl, hope you know you mean the world to me  
I wish that you could see what I see I wish that you could see what I see I wish that you could  
see what I see Fan girl, fan girl, you don't know what you do to me  
I love your insecurities  
Fan girl, fan girl, hope you know you mean the world to me  
I wish that you could see what I see  
Fan girl, fan girl, you don't know what you do to me  
I love your insecurities  
Fan girl, fan girl, hope you know you mean the world to me  
I wish that you could see what I see I wish that you could see what I see I wish that you could  
see what I see
