

I'm a Rhino

Jibbs

You a gold digging (oh)
I aint messin wit (oh)
'cause I'm a Rhino (hey)
I'm a rhino (oh)
And I aint no
You can go find yo and tryin those
And sign no
Go' on and throw the digits
Or I aint messin with no
'cause I'm a rhino (hey)
I'm a rhino
And I aint no
To go find no and tryin those
And sign no (oh)
Ah, my name is Jibbs but they call me mighty trump
The kid down a house with an outerspace flow
Stay waved up, poking madden with a flow
Jag chillin in the back with girls holla at a chump
Who you know gotta sea with a 3 in double beat
I write my own stuff never will I need a ghost
Spit so cold that you prolly need a coat
And I keep bread til I bring about a house
Clownin on stage but Jibbs is no hoe
Lil' Lewis got 'em hangin from a rope
All my diamonds real, no gold or glass coat
If you all washed up, don't drop the soap
Beastaz the music don't bang that low
It bring ya feet where you can't feel yo toes
And I'm the hottest - come on keep it on the low
And they mad 'cause I riot and I fly like a crow
You a gold digging (oh)
I aint messin wit (oh)
'cause I'm a Rhino (hey)
I'm a rhino (oh)
And I aint no
You can go find yo and tryin those
And sign no
Go' on and throw the digits
Or I aint messin with no
'cause I'm a rhino (hey)
I'm a rhino
And I aint no

To go find no and tryin those
And sign no (oh) Spit one's rhymes one to me is like fire
That's because I gotta spread around like a high
Jibbs and the whole lil lewis is a
And we keep goin higher til we see ourselves fly
Spit punch lines, we hit you in ya ear
When I'm at a concert girls be drawin tears
Move 'em in the dark no havin no fears
Callin me a space ship the way I'm switchin gears
If you a gold digger, I'm platinum plus
Diamond out bizzle, don't let the platinum rust
Boy perfect timing but I aint gon speak with glocks
All up in your speakers, they call me speaker box You a gold digging (oh)
I aint messin wit (oh)
'cause I'm a Rhino (hey)
I'm a rhino (oh)
And I aint no
You can go find yo and tryin those
And sign no
Go' on and throw the digits
Or I aint messin with no
'cause I'm a rhino (hey)
I'm a rhino
And I aint no
To go find no and tryin those
And sign no (oh) People when I see theyselfes, that Jibbs is a beast
One of me is like 5, so move more than 3
Back for I gotta make my money increase
And 5 is the reason why they lock my the key
So if you aint throwin then you need to catch a chorus
Keep switchin timbs, keep trees like a forest
Deal with the rhymes like my sign is a Taurus
And I'm all about mine, you can keep mindin yours
Now speak for yourself, I'ma keep goin high
I'm so above average I don't think you wanna try
I'ma tell the truth that I don't have to lie
And I'm beasin my peer I don't think you wanna try
You can mess with Jibbs (no) man I think you wont (know)
'cause this rap thing (yep) I been doin long (yep)
So you need to sit down with the thing
'cause I'ma just make your head spin You a gold digging (oh)
I aint messin wit (oh)
'cause I'm a Rhino (hey)
I'm a rhino (oh)
And I aint no
You can go find yo and tryin those
And sign no
Go' on and throw the digits
Or I aint messin with no

'cause I'm a rhino (hey)
I'm a rhino
And I aint no
To go find no and tryin those
And sign no (oh) You a gold digging (oh)
I aint messin wit (oh)
'cause I'm a Rhino (hey)
I'm a rhino (oh)
And I aint no
You can go find yo and tryin those
And sign no
Go' on and throw the digits
Or I aint messin with no
'cause I'm a rhino (hey)
I'm a rhino
And I aint no
To go find no and tryin those
And sign no (oh)
