

# Some Folks

## Alice Cooper

Some folks  
Love to see red  
Some folks  
Never talk about it  
Some folks  
Crave a blue lady  
Some folks  
Know and still they doubt it I'm just no good without it  
I'm not a man at all  
It makes my skin crawl Baby, baby  
Come on and save me, save me  
My, my baby, baby,  
Come on and save me now  
Some folks  
Love to feel pain  
Some folks  
Wake up every mornin'  
Some folks  
Live for no reason  
Some folks  
Die without a warning I'm just no good without it  
I'm not a man at all  
It makes my skin crawl Baby, baby  
Come on and save me, save me  
My, my baby, baby,  
Come on and save me, save me  
My, my baby, baby  
Come on and save me now  
I can't live without it  
I just can't live without it  
I don't wanna think about it I'm just no good without it  
I'm not a man at all  
It makes my skin crawl Baby, baby  
Come on and save me, save me  
My, my baby, baby,  
Come on and save me, save me  
My, my baby, baby  
Come on and save me, save me,  
My, my baby, baby  
Come on and save me, save me I can't live without it  
I just can't live without it

I don't wanna think about it
