

# Think I'm In Love

## Eddie Money

Ooh, somethin's got a hold on me now  
It's a feelin', burnin' like a lover on fire  
Hold me tight, baby  
Don't leave me by myself tonight  
'Cause I don't think I can make it through the night I think I'm in love  
And my life's lookin' up  
I think I'm in love  
'Cause I can't get enough (no, no, no)  
I think I'm in love  
It's gotta be love  
It surrounds me  
Over me like a sea of madness  
It controls me  
Makes me do all the things I do for you  
You're on my mind, babe  
Thinkin' about you now  
And I don't know if I'll make it through the night I think I'm in love  
And my life's lookin' up  
I think I'm in love  
'Cause I can't get enough (no, no, no)  
I think I'm in love  
It's gotta be love  
Baby, how you do it  
There must be somethin' to it  
Babe I know it's gotta be love  
{Oh, with magic in your hand}?  
You made me understand  
I know, I know it's gotta be love It's gotta be love  
(Love) and my life's lookin' up (love)
