

Little Dreamer

Van Halen

Sshha! They may talk about you cold when you were
Headed for the skies
But you were young and bold and baby
Didn't that change with a wink o' your eye?
Now no one's talking 'bout those crazy days gone by
No one talks about the times you cried (Oooh-oooh) Little dreamer
(Oooh-oooh) Little dreamer
And then they went and they voted you
Least likely to succeed
I had to tell them baby you were armed with all you'd need
Seems no one's talking 'bout those crazy days gone past
Weren't they amazed when you were really last? (Oooh-oooh) You are the little dreamer
(Oooh-oooh) You were the little dreamer, yeah-ee-yeah! Yeah, they talk about you cold when
you were
Headed for the skies
But you were young and bold and baby
Didn't that change with a wink o' your eye?
Seems no one's talkin' 'bout the crazy days gone past
Weren't they amazed when you were really last?
(Oooh-oooh) You are the little dreamer
(Oooh-oooh) The little dreamer, yeah, ohh-oh
(Oooh-oooh) Yeah, little dreamer
(Oooh-oooh) Little dreamer
