

# Burn It Down (Innerpartysystem Remix)

## AWOLNATION

If you're feeling like I feel then run your life like it's a dance floor  
And if you need a little heat in your face, that's what I'm here for  
If you're chilling in the dark and you're looking through a telescope  
You will see me sipping on a soul of a new hope So burn it down, burn it down  
So burn it down, burn it down, yeah  
So burn it down, burn it down baby burn it burn it down  
Burn it down, burn it down baby burn it burn it down  
Burn it down, burn it down baby burn it burn it down  
Burn it down, burn it down baby burn it burn it down If you're feeling like I feel throw your fist  
through the ceiling  
Some people call it crazy well I call it healing  
If you need love turn around, do the helicopter  
If you're sick, baby girl I would love to be your doctor  
So burn it down, burn it down  
So burn it down, burn it down, yeah  
So burn it down, burn it down baby burn it burn it down  
Burn it down, burn it down baby burn it (motherfucker) burn it down  
Burn it down, burn it down baby burn it burn it down  
Burn it down, burn it down baby burn it burn it down  
So burn it down Looking through a window made of time, would you have the courage not to lie  
Looking down the barrel of today, would that make you turn around and stay  
Looking through a window made of time, would you have the courage not to lie Down  
Burn it down  
Hey, burn it down  
Burn it down  
So burn it down, burn it down baby burn it burn it down  
Burn it down, burn it down baby burn it burn it down  
Motherfucker, burn it down, burn it down baby burn it burn it down  
Burn it down, burn it down baby burn it burn it down  
Burn it down  
Burn it down  
So, burn it down  
Burn it down, yeah  
So, burn it down, burn it down baby burn it burn it down  
Burn it down, burn it down baby burn it (motherfucker) burn it down
