

La La

Ashlee Simpson

You can dress me up in diamonds
You can dress me up in dirt
You can throw me like a line-man
I like it better when it hurts Oh, I have waited here for you
I have waited You make me wanna lala in the kitchen, on the floor
I'll be a french maid when I meet you at the door
I'm like an alley cat, drink the milk up, I want more
You make me wanna, you make me wanna scream You can meet me on an aero-plane
Or in the back of the bus
You can throw me like a boomerang
I'll come back and beat you up Oh, I have waited here for you
Don't, keep me waiting
You make me wanna lala in the kitchen, on the floor
I'll be a french maid when I meet you at the door
I'm like an alley cat, drink the milk up, I want more
You make me wanna You make me wanna lala in the kitchen, on the floor
I'll be a french maid when I meet you at the door
I'm like an alley cat, drink the milk up, I want more
You make me wanna, you make me wanna scream I feel safe with you
I can be myself tonight
It's alright, with you
'Cause you hold my secrets tight You do
You do You make me wanna lala, lalala, lalala
Lalala
You make me wanna lala, lalala, lalala
You make me wanna lala in the kitchen, on the floor
I'll be a french maid when I meet you at the door
I'm like an alley cat, drink the milk up, I want more
You make me wanna You make me wanna lala in the kitchen, on the floor
I'll be a french maid when I meet you at the door
I'm like an alley cat, drink the milk up, I want more
You make me wanna, you make me wanna scream You make me wanna lala, lalala, lalala
Lalala, lala, lalala
You make me wanna lala, lalala, lalala
Lalala, lala, lalala You make me wanna lala, lalala, lalala
Lalala, lala, lalala
You make me wanna lala, lalala, lalala
Lalala, lala, lalala You make me wanna lala, lalala, lalala
Lalala, lala, lalala
You make me wanna lala, lalala, lalala
Lalala, lala, lalala
