

The Book of Love

Gavin James

The book of love is long and boring
No one can live the damn thing
It's full of charts and facts and figures
and instructions for dancing And I
I love it when you read to me
and you
you can read me anything The book of love has music in it
in fact that's where music comes from
some of it's just trancing dancel
some of it's just really dump
And I
I love it when you sing to me
and youuu
you can sing me anything (yeah)
you can sing me anything Ooooh ooh ooh
ooooh ooh ooh
ooooh ooh ooh The book of love is long and boring
really many years ago
it's full of flowers and heart shaped boxes
and things we're all too young to know
And I
I love it when you give me things
and you
you want to give me wedding rings (yeah)
you want to give me wedding rings
you want to give me wedding rings
