

Yet

Switchfoot

All attempts have failed
All my heads are tails
She's got teary eyes
I've got reasons why
I'm losing ground and gaining speed
I've lost myself or most of me
I'm headed for the final precipice But you haven't lost me yet
No, you haven't lost me yet
I'll sing until my heart caves in
No, you haven't lost me yet
These days pass my by
I dream with open eyes
Nightmares haunt my days
Visions blur my nights
I'm so confused
What's true or false?
What's fact or fiction after all?
I feel like I'm an apparition's pet But you haven't lost me yet
No, you haven't lost me yet
I'll run until my heart caves in
No, you haven't lost me yet If it doesn't break
If it doesn't break
If it doesn't break
If it doesn't break your heart, it isn't love
No, if it doesn't break your heart, it's not enough
It's when your breaking down with your insides coming out
That's when you find out what your heart is made of
And you haven't lost me yet
No, you haven't lost me yet
I'll sing until my heart caves in
No, you haven't lost me yet
You haven't lost me yet
