

# Don't Give Up (This Goes Out...)

## Auburn

This goes out to my homegirls  
This goes out to my homiesBaby girl, I know that you've been off track  
You feel like taking one step forward, taking two back  
No matter how hard you try, things always go bad  
The thought of a better life, you'll never know thatYou smile on the out, but inside you hurt  
You say that you're fine, but you feel unsure  
Try to replace the pain by saying false words  
You see that girl in the mirror but don't know herBut the tears can't wash away  
All the fears you haven't faced  
Baby girl, don't lose your faith  
'Cause the storm don't last always  
This goes out to my homegirls  
Know it's hard to make it in this world  
I know you try  
And it feels like  
Nothing goes right  
But it'll be alrightThis goes out to my homies  
Tryna survive out in these streets  
I know it's tough  
Forced to grow up  
Life is messed up  
But keep ya head upBaby boy, the streets, it's all that you know  
You dream of a higher place, but you stay low  
And when you go home and mad and you're all alone  
Wanna call out to your boys (but they're all gone)  
You tell yourself (that you don't need)  
No one else (but if only)  
You would try (won't give no need)  
Won't have to hide (what you're feeling)But the tears can't wash away  
All the fears you haven't faced  
Baby boy, don't lose your faith  
'Cause the storm don't last alwaysThis goes out to my homies  
Tryna survive out in these streets  
I know it's tough  
Forced to grow up  
Life is messed up  
But keep ya head upThis goes out to my homegirls  
Know it's hard to make it in this world  
I know you try  
And it feels like  
Nothing goes right  
But it'll be alrightBaby girl, keep your head up

Promise me you'll never give up  
Oh, oh, oh, oh, oh ,ohBaby boy, keep your head up  
Promise me you'll never give up  
Oh, oh, oh, oh, oh ,ohThis goes out to my homegirls  
Know it's hard to make it in this world  
I know you try  
And it feels like  
Nothing goes right  
But it'll be alrightThis goes out to my homies  
Tryna survive out in these streets  
I know it's tough  
Forced to grow up  
Life is messed up
