

# Touch (feat. Paul Williams)

## Daft Punk

Touch  
Touch, I remember touch  
Touch  
Touch, I remember touch  
Touch  
I need something more  
I remember touch  
I need something more  
In my mind  
Touch, I remember touch  
Pictures came with touch  
A painter in my mind  
Tell me what you see  
A tourist in a dream  
A visitor it seems  
A half-forgotten song  
Where do I belong?  
Tell me what you see I need something more Kiss, suddenly alive  
Happiness arrive  
Hunger like a storm  
How do I begin?  
A room within a room  
A door behind a door  
Touch, where do you lead?  
I need something more  
Tell me what you see  
I need something more Home  
Hold on  
If love is the answer you're home  
Hold on  
If love is the answer you're home  
Hold on  
If love is the answer you're home  
Hold on  
If love is the answer you're home  
Hold on  
If love is the answer you're home  
Hold on  
If love is the answer you're home Hold on  
If love is the answer you're home  
Hold on  
If love is the answer you... Hold on

If love is the answer you're home  
Hold on  
If love is the answer you're home  
Hold on  
If love is the answer you're home  
Hold on  
If love is the answer you're home  
Hold on  
If love is the answer you're home  
Hold on  
Hold on If love is the answer you're home  
Hold on  
If love is the answer you're home  
Hold on  
If love is the answer you Touch, sweet touch  
You've given me too much to feel  
Sweet touch  
You've almost convinced me I'm real  
I need something more  
I need something  
more
