

# Slutgarden

## Marilyn Manson

I'll pretend that I want you for what is on the inside  
But when I get inside I'll just want to get out  
I'm your first and last deposit through sickness and in hell  
I never promised you a garden, you'll just water me down I can't believe that you are for real  
I don't care as long as you're mine When I said "we" you know I meant "me"  
And when I said "sweet" I meant "dirty"  
When I said "we" you know I meant "me"  
And when I said "sweet" I meant "dirty" I'm unsafe, I'm unsafe  
I won't repent so  
I memorize the words to the porno movies  
It's the only thing I wanna believe  
I memorize the words to the porno movies  
This is a new religion to me  
I'm a VCR funeral, a dead memory waste  
And my smile's a chain link fence, that I have put up  
I love the enemy, my love is the enemy  
They say they don't want fame  
But they get famous when we fuck When I said "we" you know I meant "me"  
And when I said "sweet" I meant "dirty"  
When I said "we" you know I meant "me"  
And when I said "sweet" I meant "dirty" I'm unsafe, I'm unsafe  
I won't repent so  
I memorize the words to the porno movies  
It's the only thing I want to believe  
I memorize the words to the porno movies  
This is a new religion to me I never believed the devil was real  
But God couldn't make someone filthy as you  
When I said "we" you know I meant "me"  
And when I said "sweet" I meant "dirty"  
When I said "we" you know I meant "me"  
And when I said "sweet" I meant "dirty" When I said "we" you know I meant "me"  
And when I said "sweet" I meant "dirty"  
When I said "we" you know I meant "me"  
And when I said "sweet" I meant "dirty" You are the church, I am the steeple  
When we fuck, we are all God's people  
You are the church, I am the steeple  
When we fuck, we are all God's people
