

Light It Up (feat. Jo Mersa)

Morgan Heritage

SaLasi I know Dread Locks
Right i know I n I gone light up the world
Oh yeah

Salasi I know This is reggae music, free up to reggae music, this is reggae music now x 2 Light
up the incense, light up ichents, light up the light as mekwe light up the world yeah, Inhale the
fragrance free up your mind, and let go bad mind and make all evil get burnt yeah Dont get
caught in the road block, everyone wanna card is the slogone yeah Love is the potion that
confirms your notion that is one love I n I a deal with for sure yeah Pre chorus: Now if you tell
me the place, for everything, this is the time, to free up your mind body soul heart everything,
let the music take control now give give your freedom to do your thing and play your part and
light up the world, then play your part and light up the world. The future can be brighter, make

the switch higher, higher, higher Uh huh

Everyone fii come we

We the hearts of love a make we light it up

Illuminate the world a make we light it up

Come we

We the hearts of love a make we light it up

Light it up

X2
