

5 Steps

Dru Hill

I don't know how much longer
You're going to be here
So I say my prayers
Every night
One 4 my mother
One 4 my father
And one 4 the love of my life
So if you decide to leave today
Then leave tomorrow at the door
And take only half of yesterday
Forget all hope for the present
Cause it just went away We were 5 steps
From eternity
4 steps
4 steps past love
And 3 wishes
From touching the heavens above
repeat chrous
Another day is gone
Another night now dawn
Waiting patiently hoping you'll return
But not before long
Why'd you say goodbye
I still feel your presence
In my bed at night
And what was reality once
A love True in form
Is now adding pain
For all man's scorn
Forced to wear the memories of pain
Around an empty heart
Now I sit in silence and begin to think
As laughter echoes through the air
I can't get you off my mind
But a whole new love
I could never bare
So now I lay me
Down to sleep
And I pray my Lord my soul to keep
And if I die, before I wake
Then I promise I'll be there for you always
We were 5 steps

From eternity
4 steps
4 steps past love
And 3 wishes
From touching to heavens above
