

# I'm Sorry

## Boosie Badazz

Look, I say mama (I say mama)  
I'm sorry (I'm sorry) for putting you through so much (all my life)  
And I say Ms. Connie I'm sorry for being a bad boy growing up  
And when I was gone (when I was in jail)  
Mama I miss you (ma I miss you)  
I miss you so damn much  
She told me don't worry 'bout what they say (don't worry)  
You coming home one day and you gon' be right back with us (real shit)  
To my Ivyana (fat) I'm sorry for living you all alone  
And to my lil Tarlaysia (black) black I'm sorry that your daddy was gone so long  
To my lil nigga lil Tootie I'm sorry, you getting big boy you gotta stay strong  
Cause now that your daddy's back we gon' have them kinda stacks we gon' laugh together all  
night long  
And to my Toriana fat I'm sorry for leaving you with only three  
To my lil nigga lil Ray Ray I'm sorry that I was never there to tuck you to sleep  
She look at me and say daddy I'm sorry (who I'm talking 'bout?) I'm talking 'bout my Lyric B  
And for my lil son Michael Jordan boy your daddy sorry but I make it up now that I'm free  
Lil nigga I apologise gise (Oh lord)  
I apologise (fuck that shit)  
Tears in my eyes (I'm hurting inside)  
To my big brother Taquari (TQ) I'm sorry (my nigga I'm sorry straight up)  
And to my lil niece Mattie I'm sorry too (tell Mattie)  
To my nigga lil Darryl (Lil Bleek) I'm sorry (nigga I'm sorry)  
That I was never mane to protect you (you)  
Tears fall for the crew (mane)  
Nephew thuggin' what I'ma do?  
Let him down cause I'm the only one he listen to  
My aunties I'm sorry  
Sitting in jail missing my uncles daily (crazy ain't)  
Fucked around and motivated the ones that hate me (whew)  
I'm sorry baby  
Now it's time for me to make it up  
Smiling faces for you hating as bitches (ha ha) who hated us  
I let a million fans down and I'm sorry  
They expressed in their letters (what they say?)  
Told me longs I'm in jail the game won't get better now that's special  
Special enough to make me want to grab a pad and pen  
And jump on the mic and do it again (Do it again, do it again, straight up)  
Special enough to make me grab a pad and pen  
And jump in the booth and say it again (fuck that)  
I apologise  
I got to prison and I got on my knees and I told God

I apologise  
Nigga hurting inside like a mutherfucker (hurting inside like a mutherfucker)  
Nigga told me in there no pain, no gain  
All I could say was huh bruh?  
I'ma send this one out to all the ones I love  
From the heart though  
I apologise
