

# Ten Thousand Fists

## Disturbed

Survival  
Survival  
One more goddamn day when I know what I want  
And my want will be considered tonight Ah ah  
Considered tonight  
Ah ah  
Just another day when all that I want  
Will mark me as a sinner tonight  
Ah ah  
I'm a sinner tonight, yeah People can no longer cover their eyes  
If this disturbs you then walk away  
You will remember  
The night you were struck by the sight of  
Ten thousand fists in the air  
Power unrestrained  
Dead on the mark  
Is what we will deliver tonight  
Ah ah  
Deliver tonight  
Ah ah  
Pleasure fused with pain  
This triumph of the soul will make you shiver tonight  
Ah ah  
Will make you shiver tonight, yeah  
People can no longer cover their eyes  
If this disturbs you then walk away  
You will remember  
The night you were struck by the sight of  
Ten thousand fists in the air  
We are the ones that will open your mind  
Leave the weak and haunted behind  
We are the ones that will open your mind  
Leave the weak and haunted behind  
We are the ones that will open your mind  
Leave the weak and haunted behind  
We are the ones that will open your mind  
Leave the weak and haunted behind  
People can no longer cover their eyes  
If this disturbs you then walk away  
You will remember  
The night you were struck by the sight of  
Ten thousand fists in the air

Air  
Ten thousand fists in the air  
Air  
Ten thousand fists in the air
