

# Mindfucker

## Sheck Wes

Bitch

I mean, I mean um...

I just...

A lot of mothafuckas don't even understand this  
The only ones who understand it is real mothafuckas

Bitch, bitch, bitch

Yah, yeah, yeah

Sheck Wes, me, mothafucka

I fuckin'... I ain't even go home

I don't really, don't be at home, it's dead body

Mudboy!

I mean I definitely want some sounds gonna fuck niggas up  
You mothafuckin' doin' it by, you know in situations and what's happenin'

You feel me? That nigga

Bitch! Late night I'm prolly moving lowkey

You think that I'm dolo, it's ten niggas with me (Ho)

Keep one to the hip, none of those magazines (Bitch)

Make niggas dip like Tom Hanks in movies (Run)

I been feelin' lazy, smokin' too much O.G (G)

Sheck Wes going through some things, I'm smokin' O.D (Bitch)

Now Sheck West in the V.I.P, last year runnin' from police

If I made it here, then I'm the M.V.P (Bitch! Bitch!)

I get higher than heaven, rock that B-A-P-E (Yeah, yeah)

These hoes say young Sheck Wes hotter than AZ

N-I-K-ES all on my feet, fuck you, pay me

That's what a nigga breathes (Bitch)

Can't shit faze me (Bitch)

You niggas watchin' me, I watch the throne like Jay-Z

I still ain't take an L 'til a nigga spray me

If you got some shit to say, then say that shit to me

Listen to the kids, stop bein' hard-headed

It get tragic where I live, Sheck Wes two times, I said it

But these niggas ain't listen and shit I don't regret it

'Cause shit gotta happen for me to learn these lessons

Put my thoughts in my pen and bullets in my weapon

And I pray and say amen anytime a nigga stressin'

But my mind my greatest weapon 'cause

Fuck people with, nigga, it's your mothafuckin' mind

You fuck everything but your mind, nigga

You're a mothafuckin' mindfucker

Mudboy, bitch
