

This Is My Goodbye (Radio Edit Usa) [feat. Fenja]

Antoine Clamaran

Call me a quitter
Call me a fool
I'll roll with the punches baby
Do what I need to do
Enough with the cryin'
Enough with the blame
I'm not a coward,
I just don't see any point to this game I say it's over
You say it's not
Baby I already know this
Cause I gave you everything that I got
Maybe it's you, you, yeah you
But mostly it's me
See I need some time to myself
Indefinitely
This is my goodbye, whoa whoa oh
I tried to let you down easy, easy, easy, easy, easy
This is my goodbye, whoa whoa oh
No it wasn't easy, easy, easy, easy, easy Call me a faker
Call me a jerk
I'm sorry you're hurtin'
But there's no way I can make this thing work
I'm not gonna settle
And neither should you
So find someone better, go on
Be strong, don't be a fool
I say it's over
You say it's not
Baby I already know this
Cause I gave you everything that I got
Maybe it's you, you, yeah you
But mostly it's me
See I need some time to myself
Indefinitely This is my goodbye, whoa whoa oh
I tried to let you down easy, easy, easy, easy, easy
This is my goodbye, whoa whoa oh
No it wasn't easy, easy
It wasn't easy, easy
