This Is My Goodbye (Radio Edit Usa) [feat. Fenja]

Antoine Clamaran

Call me a quitter Call me a fool I'll roll with the punches baby Do what I need to do Enough with the cryin' Enough with the blame I'm not a coward, I just don't see any point to this gameI say it's over You say it's not Baby I already know this Cause I gave you everything that I got Maybe it's you, you, yeah you But mostly it's me See I need some time to myself Indefinitely This is my goodbye, whoa whoa oh I tried to let you down easy, easy, easy, easy, easy This is my goodbye, whoa whoa oh No it wasn't easy, easy, easy, easy, easyCall me a faker Call me a jerk I'm sorry you're hurtin' But there's no way I can make this thing work I'm not gonna settle And neither should you So find someone better, go on Be strong, don't be a fool I say it's over You say it's not Baby I already know this Cause I gave you everything that I got Maybe it's you, you, yeah you But mostly it's me See I need some time to myself IndefinitelyThis is my goodbye, whoa whoa oh I tried to let you down easy, easy, easy, easy, easy This is my goodbye, whoa whoa oh
