

# Play Wit Millions (feat. Young Thug & Casino)

## Young Scooter

Guess what slime  
Ferrari seat on my ass yeah  
Geeked up feel like I'm on glass, yeah  
Aye Scooter, guess what slime Everything I put on is water, aye  
PJ the flights my nigga, we charter  
(PJ the flights my nigga, we charter)  
I strap a bale and a brick to your daughter  
(I strap a bale and brick to your daughter)  
Yeah nigga, I fucked her in the ass and I put her on molly  
(I fucked her in the ass and I put her on molly)  
Yeah nigga, I rock five stars, like starter  
Yeah nigga, I play with your life, outta sight like New Orleans  
Yeah nigga, my new bitch a dog  
Yeah nigga, we play with these billions, like we got oil  
Yeah nigga  
I grew up broke, now I'm a super star  
Play with me I get you gone, I don't care who you are  
I get all my dope raw like sushi bar  
Bout to sell mac, we need Kaepernick  
This that music make you hit the block and bag a brick  
Nigga you useless, you ain't on your grind and hustling  
Just like Thugger, Slime, Scooter Came from Nothing (slime!)  
You know all my money good like I'm 456  
Headcrack he doubled crossed me but I came back trip  
Stay away from broke hoes, cause they don't buy shit  
Call my jeweler Eliante, tell him ice up a brick  
Everything I put on is water, aye  
PJ the flights my nigga, we charter  
(PJ the flights my nigga, we charter)  
I strap a bale and a brick to your daughter  
(I strap a bale and brick to your daughter)  
Yeah nigga, I fucked her in the ass and I put her on molly  
(I fucked her in the ass and I put her on molly)  
Yeah nigga, I rock five stars, like starter  
Yeah nigga, I play with your life, outta sight like New Orleans  
Yeah nigga, my new bitch a dog  
Yeah nigga, we play with these billions, like we got oil  
Yeah nigga Money comin' in ridiculous  
Went and added diamonds in my teeth  
A quarter million for the whip I'm in  
I'm countin' bands, twenty  
That's yo wife? she suck dick amazing

You a pussy, you got shot in your ass  
Nigga speak on me he gonna die (got to)  
Fly fat nigga in the A  
Me and Ty throw 10 in the mar  
Draped in all Avianne I'm hit  
Did I mention I ain't even gotta hit  
Did I mention me and Sonny we hit licks  
(one hundred percent no cap)  
Riding with a stick I'm always strapped (rrt)  
Popped a couple percs, I'm still sellin' bags (geeked up)  
You like 40 and you goin out sad (Hahaha) Everything I put on is water, aye  
PJ the flights my nigga, we charter  
(PJ the flights my nigga, we charter)  
I strap a bale and a brick to your daughter  
(I strap a bale and brick to your daughter)  
I fucked her in the ass and I put her on molly  
(I fucked her in the ass and I put her on molly)  
Yeah nigga, I rock five stars, like starter  
Yeah nigga, I play with your life, outta sight like New Orleans  
Yeah yeah  
My new bitch adorable  
Yeah nigga, we play with these billions, like we got oil  
Yeah nigga All that juugin' and finessin' I built a lane for it  
That's my life you rapping bout I should get paid for it  
All you rappers fake beefin', gettin' paid for it  
I'm super slimey, I might send a decoy  
I see the feds takin' pictures, call em Polaroid  
I know they mad, I got ten traps on steroids  
Fuck a bitch in ten minutes, and I'm paying for it  
Yeah we ballin' ain't no limits, it's freebanz boy  
We bout to sell black we need Kaepernick  
Three thousand grams a day, that's on average  
Everything I rap about make you wanna trap again, damn  
Triple salute my lawyer, he helped me beat that trafficking  
Street Everything I put on is water, aye  
PJ the flights my nigga, we charter  
(PJ the flights my nigga, we charter)  
I strap a bale and a brick to your daughter  
(I strap a bale and brick to your daughter)  
I fucked her in the ass and I put her on molly  
(I fucked her in the ass and I put her on molly)  
Yeah nigga, I rock five stars, like starter  
Yeah nigga, I play with your life, outta sight like New Orleans  
Yeah yeah  
My new bitch a dog  
Yeah nigga, we play with these billions, like we got oil  
Yeah nigga I got at least ten hoes for swap, (I got at least ten hoes)  
I call it murder, I chopped off the roof on the drop  
I make a model suck me out my socks

Guess what I did right after that? Kicked her out  
Kicked her out
