## Pleasure P

(Come get this pleasurrrrrre.)  
(Shawty see about this pleasurrrrrre.)  
(Come get this pleasurrrrrre.)  
(Shawty see about this pleasurrrrrre.)(Verse 1)  
Heard you got a brand new man with a CL-6  
and he be callin' you shaaaaawty  
Heard you tell them we was all friends  
when you know you use to really be my shaaaaawty(Bridge)  
You remember the weekend  
You remember the freakin'  
You remember bein' the only gurl that I was seein'  
You was close with my mama  
Never gave me no drama  
Trynna be the there and  
Now I let you get away  
(Chorus)  
OOooooooooOOOhhh  
Need you back in my life, back in my right  
OOooooooooOOOhhh  
Out here wastin' my time, losin' my mind  
Gotta have ya, gotta have ya, gotta have ya, gotta have you  
Gotta have ya, gotta have ya, gotta have ya, gotta have you  
OOooooooooOOOhhh

What I knooow rite now(Verse 2)
