

I'll Be There

Walk Off the Earth

When the tears are rolling down
Like a river to the ocean
And there's no one else around
You won't question my devotion Everybody needs somebody
And you got me
You know that I know that you know that I'll be there for the highs and lows
Give you mine if your heart gets broke
By your side when you're all alone
I will be there When you're down and down on your luck
No ride home and you got too drunk
2AM Imma pick you up
I will be there
I'll be there, I'll be there, I'll be there for you
I'll be there, I'll be there, I'll be there for you When you're down and down on your luck
No ride home and you got too drunk
Oooh
I'll be there, I'll be there, I'll be there for you When you're heart could use a break
And it's too broken to be open
I'll be patient, I will wait
Until you're ready to be open Everybody (Everybody)
Needs somebody (needs somebody)
And you got me
You know that I know that you know that I'll be there for the highs and lows
Give you mine if your heart gets broke
By your side when you're all alone
I will be there
When you're down and down on your luck
No ride home and you got too drunk
2AM Imma pick you up
I will be there I'll be there, I'll be there, I'll be there for you
I'll be there, I'll be there, I'll be there for you When you're down and down on your luck
No ride home and you got too drunk
Oooh
I'll be there, I'll be there, I'll be there for you I'll be there for the highs and lows
Give you mine when your heart gets broke
By your side when you're all alone
I will be there When you're down and down on your luck
Gave your all but it's not enough
Take my hand and I'll pick you up
I will be there
(I will be there) I'll be there, I'll be there, I'll be there for you
I'll be there, I'll be there, I'll be there for you When you're down and down on your luck

No ride home and you got too drunk
Ooh
I'll be there, I'll be there, I'll be there for you
I'll be there for you
