

Daylight (Instrumental)

Boyce Avenue

Here I am waiting, I have to leave soon
Why am I holding on?
We knew this day would come We knew it all along, how did it come so fast? This our last
night, but is late
And I'm trying not to sleep
'Cause I know when I wake
I will have to slip away And when the daylight comes I'll have to go
But tonight I'm gonna hold you so close
'Cause in the daylight we'll be on our own
But tonight I need to hold you so close
Whoa whoa whoa
Here I am staring at your perfection
In my arms, so beautiful
The sky is getting by and the stars are burning out
Somebody slow it down This is way too hard, 'cause I know
When the sun comes up, I will leave
This is my last glance
That will soon be memory And when the daylight comes I'll have to go
But tonight I'm gonna hold you so close
'Cause in the daylight we'll be on our own
But tonight I need to hold you so close
Whoa whoa whoa I never wanted to stop because I don't wanna start all over, start all over
I was afraid of the dark but now is all that I want, all that I want, all that I want
And when the daylight comes I'll have to go
But tonight I'm gonna hold you so close
'Cause in the daylight we'll be on our own
But tonight I need to hold you so close And when the daylight comes I'll have to go
But tonight I'm gonna hold you so close
'Cause in the daylight we'll be on our own
But tonight I need to hold you so close
Whoa whoa whoa
