

# Obsession

## Eighteen Visions

Obsession...  
desire, depression...  
obsession...  
desire, depression...  
Obsession!  
desire, depression!  
obsession!  
desire, depression!  
Obsession!  
(nothing is meant to be... - nothing is meant to be...)  
desire, depression!  
obsession!  
(love never wanted me...)  
desire, depression!  
Obsession!  
(nothing is meant to be... - nothing is meant to be...)  
desire, depression!  
obsession!  
(love never wanted me...)  
desire, depression!  
Obsession!  
(nothing is meant to be... - nothing is meant to be...)  
desire, depression!  
obsession!  
(love never wanted me...)  
desire, depression!  
Nothing is meant to be!  
love never wanted me!  
nothing is meant to be!  
love never wanted me!  
Obsession!  
(nothing is meant to be... - nothing is meant to be...)  
desire, depression!  
obsession!  
(love never wanted me...)  
desire, depression!  
Obsession!  
(nothing is meant to be... - nothing is meant to be...)  
desire, depression!  
obsession!  
(love never wanted me...)

desire, depression!
